

## Mobile Food Vendor Protocols: Appendix J

This protocol is to be completed by mobile food vendors, such as food trucks and food carts. The requirements below apply to all mobile food vendors. In addition to the conditions imposed on mobile food vendors by the Governor, mobile food vendors must also be in compliance with the conditions laid out in this Mobile Food Vendor Protocols. This protocol must be implemented and posted prior to a business operating.

Please note: This document may be updated as additional information and resources become available so be sure to check the Long Beach COVID-19 website at <a href="www.longbeach.gov/covid19">www.longbeach.gov/covid19</a> regularly for any updates to this document.

This checklist covers:

- (1) Workplace policies and practices to protect employee health
- (2) Measures to ensure physical distancing
- (3) Measures to ensure infection control
- (4) Communication with employees and the public
- (5) Measures to ensure equitable access to critical services

All businesses must implement all applicable measures listed below and be prepared to explain why any measure that is not implemented is not applicable.

	siness Name and License Plate mber:				
A. WORKPLACE POLICIES AND PRACTICES TO PROTECT EMPLOYEE HEALTH (CHECK ALL THAT APPLY TO THE FACILITY):					
	All employees have been informed not to come to work if sick and to follow Long Beach Health Officer guidance for self-isolation, when applicable.	1			
	Symptom checks are conducted before employees may enter the workspace. Checks must nclude a verbal check-in concerning cough, shortness of breath or fever and any other symptoms the employee may be experiencing.				
	All employees who have contact with the public or other employees during their shift(s) are offered, at no cost, a cloth face covering. The covering is to be worn by the employee at all times during the work day, when in contact or likely to come into contact with others. Employees do not need to wear a cloth face covering when the employee is alone in a private office or a walled cubicle. Additional face coverings must be provided as needed.				
	Employees are instructed to wash their face coverings daily.				
	All workstations are separated by at least six feet.				
	Distribution areas (for curbside pickup), break rooms, restrooms and other common areas are disinfected frequently, on the following schedule:				
	□ Distribution area ——————————————————————————————————				
	□ Break rooms				

		Restrooms Other
		Other
		are staggered to ensure that six (6) feet between employees can be maintained in ated break rooms/ break areas at all times.
		yees are prohibited from eating or drinking anywhere inside the workplace other than ated break rooms/ break areas.
	Disinfe	ctant and related supplies are available to employees at the following location(s):
		Type of sanitizer used ————————————————————————————————————
		Concentration ————————————————————————————————————
		Method of testing
	Emplo minute	sanitizer effective against COVID-19 is available to all employees at the following location(s): yees are required and permitted adequate time to wash or sanitize their hands every 30 es or as needed if gloves are provided, or when changing job tasks to avoid any potential cross-nination.
	А сору	of this protocol has been distributed and training has been provided to each employee.
		icies described in this checklist other than those related to terms of employment are applied to f delivery and any other companies who may be on the premises as third parties.
B. I	MEASU	RES TO ENSURE PHYSICAL DISTANCING
	A stafi apart.	f person, wearing a cloth face cover is charged with directing customers to line up six feet
		le adequate security or staffing to implement any necessary crowd control and Physical cing Protocols
		or other markings identify both a starting place for customers arriving and 6 foot intervals osequent customers who are joining the line.
	from e	byees have been instructed to maintain at least a six (6) feet distance from customers and each other. Employees may momentarily come closer when necessary to accept payment, r food, or as otherwise necessary.
	Custo	mers waiting for orders may not congregate.
	Dining	onsite is prohibited,
	Provid	le physical barriers where physical distance of six feet is difficult.
C. I	MEASU	RES TO ENSURE INFECTION CONTROL
		entilation hood in the vehicle is in good, working order; to the maximum extent ble, ventilation has been increased.
		ctless payment systems are in place or, if not feasible, payment systems are red regularly. Describe:
		on areas and frequently touched objects in the customer nickup and payment (e.g.

	tables, doorknobs or handles, credit card readers) are disinfected on an hourly basis during business hours using EPA approved disinfectants.		
	Closely follow manufacturer's instructions when <u>sanitizing</u> food contact surfaces.		
	<ul><li>□ Sanitizer type</li><li>□ Concentration</li><li>□ Method of testing</li></ul>		
	Require use of Face Coverings and gloves and/or frequent handwashing for employee interaction with customers, food preparation, and food delivery.		
	Customers are instructed that they must wear cloth face coverings while in line and during interaction with staff. This applies to all adults and to children over the age of 2. Businesses may refuse admission to any individual who does not wear a face covering.		
	Remove all customer self-service such as condiment bottles, utensils, salt and pepper shakers, and beverages. Beverages and single service packets may be provided to each customer by an employee.		
	Pre-roll utensils in napkins prior to use by customers and store in a clean container.		
	Provide hand sanitizer to customers at or near the vehicle/cart or other appropriate areas.		
	When possible, install hands-free devices such as soap and towel dispensers.		
	Provide contactless payment options, pick-up and delivery.		
	All payment portals, pens, and styluses are disinfected after each use.		
	Food trucks and carts employees must have access to a restroom if they are parked or stationary for more than one hour. A letter of approval from the restroom owner as proof of access to a commercial restroom that is routinely cleaned and disinfected.		
D.	MEASURES THAT COMMUNICATE TO THE PUBLIC		
	A copy of this protocol is posted at all public entrances to the facility.		
	Post a sign at the entrance(s) of the facility informing all employees and customers that they should (i)avoid entering the facility if they are experiencing symptoms of respiratory illness; including fever of cough; (ii)maintain a minimum of six-foot distance from one another; (iii) sneeze and cough into one's elbow; (iv) not shake hands or engage in any unnecessary physical contact.		
	Signage at the entry and/or where customers line up notifies customers of options for and advantages preordering and prepayment.		
	Online outlets of the establishment (website, social media, etc.) provide clear information about store hours, required use of face coverings, policies regarding preordering, prepayment, pickup and/or delivery and other relevant information.		
<b>E</b> . I	MEASURES THAT ENSURE EQUITABLE ACCESS TO CRITICAL SERVICES		
	Measures are instituted to assure access to goods and services for customers who have mobility limitations and/or are at high risk in public spaces.		

F. MEASURES TO ENSURE FOOD SAFETY AND ADDITIONAL RESOURCES					
□ Review the <u>City of Long Beach Food Safety Manual</u>					
□ Centers for Disease Control <u>Food Safety and Coronavirus Disease 2019</u>					
Any additional measures not included above should be listed on separate pages, which the business should attach to this document.
